Re: 2007-2008 COE Scholarships

The COE General Scholarship Application for the 2007-2008 academic year is now available. Students are strongly encouraged to view the COE scholarship web page to learn more about the variety of scholarships available to both undergraduate and graduate students. Scholarships are available to students in all majors, although some are specific to a particular area of study.

Minimum qualifications include a 3.0 GPA or better, two letters of recommendation, and a demonstrated commitment to serving the community. Financial need is a criterion for some scholarships, but it is not a requirement for application. The deadline to submit applications is February 15, 2007.

The complete list of scholarships, their requirements, and a PDF version of the scholarship application are available via the COE website at:
<http://education.fiu.edu/scholarships.htm>.

Please inform your students about this opportunity and encourage them to apply as soon as possible. You may direct students to contact the COE Recruiter, Marisa Salazar, with any questions at 305-348-3002 or via e-mail at Marisa.Salazar@fiu.edu.
