(Left to Right: Major Professor Dr. Ben Baez with Dr. Yinka Tella)

Recently Published Book:

***“The Post-9/11 Syndrome: International Education in an Era of Homeland Insecurity: Perspectives from the Florida Frontline”***

Congratulations to Dr. Oluyinka Tella, graduate from the Higher Education Doctoral Program Summer, 2010, for this recently published book that grew out of his dissertation. This book investigated the relationship between the September 11, 2001 terrorist attacks and the internationalization agenda of US colleges and universities.
