Attached is a paper copy of the prospectus or proposed first three chapters of my dissertation. I am also submitting the prospectus/chapters for review electronically to the Office of Graduate Studies (OGS) via Caprila Almeida at [almeidac@fiu.edu](mailto:almeidac@fiu.edu) and Dr. Linda Bliss at [blissla@fiu.edu](mailto:blissla@fiu.edu) .

By signing this request, my Major Professor and I verify the fact that this dissertation proposal or prospectus is ready for pre-proposal defense review. At this point, my dissertation proposal or prospectus will go in queue for review by the COE OGS. Upon receipt, I will be informed of its status in the queue (Go to [http://education.fiu.edu/ogs/doc\\_contacts.html](http://education.fiu.edu/ogs/doc_contacts.html) for queue.) After review, feedback and edits will be provided electronically to my Major Professor and me. Subsequently, a meeting may be scheduled by my major professor and OGS to discuss the review. Additional discussions may be held electronically or in person.

My signature further indicates that I am in the process of going through the Responsible Conduct of Research (RCR) Training to earn the necessary certification. IRB information may be found at <http://research.fiu.edu/irb/index.html> . IRB training and approval information and forms can be found at <http://research.fiu.edu/irb/pages/topaz.html> .
