

## Taskstream Message To Be Included In The Syllabus

This course requires you to use a TaskStream account for uploading your critical assignment for the Florida Teacher Certification and other College of Education purposes. Your TaskStream account will be used in many FIU College of Education courses. It also offers you storage space and web folio development for your professional use.

### Assessment Panel Reviews

The artifacts you upload onto *Taskstream* may be reviewed by a Panel of Assessment Raters in the College to ensure fairness and consistency in the scoring of the critical assignments. These reviews are required for accreditation purposes. The students' assignments reviewed will have no identifying information so the raters will not know whose students' work they are reviewing. All data aggregated will contain no personal identifying information to ensure confidentiality of students' work.
